

# Food & Beverage Industry

## Solutions and Industry Advisory Services

As Certified Public Accountants and Advisors, Bernard Robinson & Company, LLP (BRC) focuses on assisting companies in the food and beverage industry. BRC's Food & Beverage Services Team has the experience and service capabilities with professionals who provide the type of accounting, tax, and advisory services that can allow shareholders to concentrate on the growth of their business.

Our industry clients require experience with issues concerning:

- Short and long-term access to capital
- C-level executive retention
- Commodity and ingredient cost volatility
- New products flooding each category
- The rise of online retail and home delivery
- Evolving consumer preferences and dietary awareness
