

## Business Valuation Services

As Certified Public Accountants and Advisors, BRC helps our clients make smart business decisions. The Valuation Team provides the necessary solutions to make strategic decisions around ownership transition, M&A, estate planning or financial consulting. These solutions can facilitate legal matters with concise and accurate information, on a timely basis.

Our valuation experts have more than 40 years of combined experience, working across a variety of industries and serving companies of all sizes. As a result, our Valuation Team has the expertise and experience to handle complex issues.
