

Building Relationships for over 75 Years

Bernard Robinson & Company has been serving clients and their businesses for over 75 years. With over 200 employees, BRC is a leading CPA firm with top business advisors engaged in guiding middle market and private companies, not-for-profit organizations, small businesses, and government entities.

Bernard Robinson & Company

Balanced. Responsive. Connected.

Results-Driven Solutions

We provide a full range of assurance, tax, and advisory services. Our deep technical knowledge across a wide range of industries and services means we are able to offer options and guidance tailored to your specific needs. We provide each client with direct access to a highly responsive BRC team.

Best Practices Backed by International Resources

BRC is an independent member of DFK International/USA, a global association of independent accounting and management consulting firms that actively share resources and best practices. This affiliation allows the firm to provide its clients with many services comparable to national and international firms.
